

THINGS I WILL NEVER FORGET SUNDAY, JULY 5, 2020

As we get older there are certain things that we forget. Why did I walk into this room, where did I put the keys, I know I know that person's name. But there are also things that we never forget.

- What difficult family situation have you made it through because of God's faithfulness to you?
- How did He prove himself faithful? What does faithfulness from God mean to you?
- Of the hymns that were played today ("When We All Get to Heaven", "Great Is Thy Faithfulness", "And Can It Be") which one was your favorite and why?
- How does that hymn connect to your life?
- Do you have a favorite hymn that wasn't played? Why is it your favorite?
- What's a memory that you have that you hope you never forget because of its impact on your spiritual journey? How do you make sure that it remains a part of your life memories?
- In what ways do you keep memories alive in your family traditions?
