

### CSI CONNECT-SERVER-INVITE PART 2: DO WE DARE? SUNDAY, JULY 11, 2021

*How can I build the kingdom to further the cause of Christ? Maybe there is a question here that should be considered...do I care about lost people? Maybe there are some questions that we should consider at the outset. We have to be willing to respond to people and at the point and level of their need. It is not what we perceive is their need but what the need actually is.*

#### READ: LUKE 15:1-7

- What stands in the way of your ability to reach out? What are reasons that may cause you to hesitate?
- We know we must be willing to respond to people at the point of their need. We must be in tune with Christ to listen to His prompting to go. Have you ever heard God suggest that you go to a place or approach a person that you were to connect with? What happened?
