

KEEP CALM – FIND MERCY

SUNDAY, MARCH 27, 2022

You know that feeling you might have after a huge disappointment or an argument or negative experience that leaves you just sitting silently and trying to make sense of what just happened. Mercy saves the offender. Mercy is kindness shown towards an enemy – it offers compassion, pity, and benevolence. It can offer a pardon to someone who deserves punishment. Giving favor. There are times when our life experiences leave us feeling so crippled or weakened that we feel we cannot move forward, but Jesus says we can.

READ JOHN 5:1-18

- What does Jesus provide when we are crippled by life?
- Why does Jesus give what he does to the crippled man?
- Why does Jesus ask the man if he wants to get well?
- How has anger kept you from the life God has to offer you?
- What are things you can do to avoid being a mercy stealer?
