SUNDAY, SEPTEMBER 4, 2022

Everyone believes something! So, a phrase like “just believe” seems pretty black & white. However, when we choose what we will “just believe” things can get a little complex because of the curve balls thrown at what we believe by the circumstances of life. When it comes to believing in God & following Jesus, how can we “just believe”?

- Why might those who brought news to Jairus felt things were now a bother to Jesus?
- Why would Jesus say to Jairus, “Don’t be afraid; just believe”?
- Why do you think Jesus let only a few people go into the house with him?
- Why might the people at Jairus’ house have laughed at Jesus’ declaration?
- How might Jairus have felt when his daughter stood up & walked?
- How might these events have simplified what Jairus chose to “just believe”?
